Explanatory Note

(This does not form part of the Notifications but is intended to indicate the general purport).

According to sub-rule (2) of rule 2 of Chapter V of the Kerala Education Rules, 1959, the date for publication of the provisional list of areas for opening new schools by the Director of Public Instruction is before the end of January of the year of publication and the date for the publication of the final list is in the month of July. The date of Notification by the Director inviting applications for opening new schools shall be in the month of October under rule 2A of Chapter V, Kerala Education Rules. The last date for issue of orders by Government on the applications will be 28th February, according to the said rules.

Government propose to open certain schools in Tribal areas of this State so as to raise the percentage of literacy among the Tribal people which is very low when compared to other areas. As all these schools are proposed to be opened departmentally during the next academic year 1978-79 and the procedure as laid down in Chapter V, Kerala Education Rules, if followed, will naturally result in lapse of funds specifically provided in the current year's budget for the purpose, Government have decided to dispense with the said procedure under the rules to the extent necessary so as to enable Government to open new departmental schools in tribal areas in the academic year 1978-79 itself. The Notifications are intended for the above purpose.
